

Z
Zocular®
OPHTHALMOLOGIST DEVELOPED

RESTORES NATURAL SKIN

ZocuWipe™

One wipe at a time

1. Unfold moistened ZocuWipe towelette and place over fingers.
2. Close eyelids and lightly scrub across lash line for 10-15 seconds.
Avoid direct eye contact.
3. **No rinsing needed.** Apply moisturizer, mascara, or makeup after cleaned area is dry.

ZocuFoom™

One wash at a time

1. Wash hands and remove any contact lens.
2. Place foam onto fingertips.
3. Gently scrub closed eyelids and/or face. **Avoid direct eye contact.**
4. Rinse with water.

ZocuShield™

One pump at a time

1. Apply a thin strip of ZocuShield gel across the lower eyelid.
2. Close the eyelids and massage the gel over the lash and eyelids using gentle circular motions.
3. **Repeat for the other eye.**
